	Doctors in Britain are worried because British teenagers eat lots of chips, sweets and fat food.				
	Most teenagers don't have enough fruit or vegetables and more than one million British				
	school children are overweight. Some teenagers say that they don't have time to eat good				
	foot, but kids who have a poor diet often have health problems when they are older.				
١	Americans have been familiar with fast food for a long time, it was born there. American fast				
	food is now a part of life far beyond the stores of United States. McDonald's Pizza Hut,				
	Burger king have restaurants all over the world.				
	Now doctors are giving young people books and games about a good diet. Having healthy,				
	well-balanced diet can help you feel better and live longer.				
	ξ^{9} . A great percentage of British school children are fat				
	۰. Fast food restaurants were born in France				
	۰). Fast food restaurants are popular around the world				
	\circ ^{γ} . To keep our body healthy we need a steady diet of burgers
