۳	<p>Read the text below and then, answer the questions.</p> <p><i>Passage 1</i></p> <p>The modern lifestyle has had both positive and negative effects on people's lives. Modern technologies have enabled us to have easy access to information, become more creative, experience fast communication, travel easier, and have a more comfortable life. Have you ever imagined a world without the Internet, tablets, mobile phones, airplanes, and vacuum cleaners? Most people cannot do that, as technology is the miracle of our time. But using new technologies has changed people's lifestyle in a way that harms their lives in this century as well. Some technologies are dangerous to our health and can harm our body. Using mobile phones or surfing the net for long hours can increase people's blood pressure and cause sleep problems. Playing video games for long hours makes people nervous and harm their heart and nervous system. Listening to music by headsets can be harmful to one's hearing and even brain.</p> <p style="text-align: center;"><i>Reading Comprehension</i></p> <p>True / False</p> <p>۱.
