Reading Comprehension:

Read the following passage and answer the questions as required.

Are you a busy person who is always on the go and doesn't have a lot of time but still wants to get healthier? Don't worry, you're not alone. Most people want to get healthy, fit, and look younger yet they can't find the time for it.

Here are some advice for healthy living on the go:

1. Enjoy a glass of water first in the morning.

If you haven't got time for anything else in the morning, make time to drink a big glass of water. Our body loses a lot of oxygen through the night and to make our cells refresh, we need to supply them with water and oxygen.

2. Get some fresh fruit on your way out.

Wherever you're going –whether it's a walk or drive to the supermarket or on your way to a meeting- pick up some fruit and eat them. They contain vitamins and sugar that are needed for our body. So never forget to have enough servings of fruit every day.

3. Exercise on the go.

If you work in an office, get up every 30 minutes and go for a walk. If you have an office with stairs, run up and down the stairs every two hours. Get your muscles moving and your blood flowing
